Alexis -

I think the briefing for Pete went well. Here's the powerpoint for your viewing when you return.

My immediate next steps:

- I'll be with Laura listening in as Sussman and Silva meet with DOI this Friday.
- I'll be working on more specific additional investments for you and Laura to consider, and options for accomplishing.
- Sam and i are working to arrive at a meeting of the minds on our strategy for institutionalizing SF Estuary as an authorized program. (This is one place I'd like to see RA and Pete help support.)

Hope your trip is going well. - K
